Dear Bobby:

I am quite agreeable to speak on the Russian situation to the New England Bank Management Conference next October 5th and I am naturally appreciative of the compliment implied in Roger Damon's suggestion.

God knows what "the Russian situation" will look like when the leaves are turning, but I am sure there will be plenty I can say within security limitations that will be of interest to such an audience.

I note you will be in Washington on June 26th. Mary and I are having a small dinner party that night and, if you happen to be free, we would be delighted if you could join us.

Sincerely,

Robert Amory, Jr.
